1. Will there be a preproposal conference and \ or official tour of the existing station sites?

No, but if you have questions, we are happy to answer and prefer them to be submitted via email to lampea@stlouis-mo.gov.

2. Will SLDC meet with us and our local team in St. Louis before the February 11th submittal?

No, but if you have questions, we are happy to answer and prefer them to be submitted via email to lampea@stlouis-mo.gov.

3. Questions about the content of the proposal on page 19 (you have asked for tabbed Sections A-J):

- A. For Section B, do you want Attachment E inserted at Tab B (not at the end) and are you expecting any narrative related to Form E or just the attachment?

Insert Attachment E (and all attachments) at the end of the tabbed sections and *not* within the response. There does not need to be any narrative relative to the attachment unless you feel the need to explain anything within the attachment.

- B. Same question for Sections C, G-J.

Insert all attachments at the end of the tabbed sections and *not* within the response. There do not need to be any narratives relative to attachments.

- C. For Section E, Evidence of Appropriate Resources and Capacity, are you expecting any official certifications to prove depth of professional resources or financial strength? (e.g. financial statements, Dun and Bradstreet rating)

No.

- D. For Section F, Item 2, you are asking for the hours per person that is also asked for in Section C. Do you want us to repeat the information from Attachment F or are you asking for additional \ different information?

Yes, we are asking for the same information both Sections C and F. In your response, you may simply reference Attachment F if you like.
